HOME DESCRIPTION

McKee Homes presents the Fantastic Finley floorplan featuring an open layout with a spacious living room, breakfast area, and large gourmet kitchen with island. The first level features an elegant formal dining room as well as a true flex space which could be utilized as an office, study, or "whatever-you-want-it-to-be" room! There is also a mudroom as you walk in from the garage and a rear covered patio off the family room and breakfast area. The second floor features a private primary suite with immense walk-in closet, shower with seat, and ample linen closet as well as dual sink vanity. Two additional bedrooms, laundry room and large bedroom 4/media room finish out the second floor. It doesn't end there though! The walk up, unfinished, 3rd floor has tons of storage and potential for future growth (appx 600 sf)! This new community, just minutes from military bases, downtown Jacksonville, and Albert J. Ellis airport, shares Clear View School Rd with Clear View Elementary School where you can walk the kids to school without the hassle of the car lines, and also have the convenience of a stoplight for easy access to the main corridor of Hwy 24/258!
